

Dear Friends,

Early voting is just over a week away and for those of you who live in Bowie and other parts of District 23A, I encourage you to vote for a great public servant and my good friend, Geraldine Valentino-Smith. She has worked tirelessly to secure necessary funding for our schools, both in the classroom and for the new buildings and renovations we need. And I personally have stood side by side with her to fight to protect victims of domestic violence and to protect children from sexual assault.

Geraldine isn't afraid to take on tough issues, even if they make her unpopular with her colleagues, because her only focus is doing what is in the best interests of those she serves. But to continue the great work she is doing, she needs your help. Please get out to vote during early voting (October 25 through November 1) or on Election Day (November 6th) and let's send Geraldine back to Annapolis to keep fighting for us!

Sincerely,

Angela
